

PARK MEDICAL ASSOCIATES LLC FINANCIAL POLICY (FP++) Eff. 6/1/18

We would like to thank you for choosing Park Medical Associates as your medical provider. We pride ourselves on providing all patients with excellent patient service. Billing costs have risen enormously and we ask your help in controlling these costs. To keep you informed of our current financial policies, please read the following, and sign at the bottom. We ask that you keep a copy of this document for future reference.

Insurance

The physicians of Park Medical Associates participate with EHP, Cigna and CareFirst BlueCross BlueShield. They are authorized to provide services to Medicare patients, but they do not accept Medicare assignment (except for Dr. Seifter). Park Medical Laboratory participates with Medicare, EHP, Cigna & BCBS for lab tests. It is the patient's responsibility to provide our office with a copy of your current insurance card, and to inform us of any changes in insurance. Although we file claims for most insurance plans on your behalf, you are ultimately responsible for payment of the bill.

Copays, Co-insurance, Deductibles, and Non-covered Services

Copays are payable at the time of service. We accept cash, check (no foreign checks), or credit card (VISA, MasterCard, Discover and American Express). Co-pays, co-insurance and deductibles cannot be waived by our practice, as they are requirements placed on you by your insurance carrier. You are responsible for any non-covered services as determined by your insurance plan (including forms). If you have an insurance plan with whom we do not participate, you are responsible for our bill in full.

Past Due Balances

You will be asked to pay any past due balances when making appointments or before seeing the physician. If your balance is especially high, you can set up a payment plan with a Patient Service Coordinator or Billing Coordinator.

Returned Checks

A \$25 charge will be added to your account for any check returned by your bank.

Finance Charge/No Show Fee/Cancellation Fee

If your bill is over 90 days old, we will impose a finance charge of \$15. This fee will help to offset the excessive monthly costs involved in continuing to send overdue bills. If you are on a payment plan, and meet your monthly payment obligation, a finance charge will not be assessed. We reserve the right to charge a fee of \$75 for no show appointments and a \$50 cancellation fee for appointments cancelled within 24 hours at the doctor's discretion.

Collections Fee

If after 2-3 months a balance remains unpaid, we will send the account to our collections attorneys. We will impose a collections fee of one third of the outstanding bill to cover the fee charged to us by the collection agency.
