PAYMENT OF BENEFITS	
<p>I authorize Park Medical Associates and Park Medical Laboratory to file insurance on my behalf and release any medical or other information necessary to process my claims. When applicable, I authorize payment of benefits directly to the physician or laboratory. I understand that Park Medical Laboratory and the physicians of Park Medical Associates (excluding John Aucott, M.D.) participate in all Cigna (except Worker's Comp) and CareFirst networks. I understand that the physicians and the lab also participate with EHP. I understand that the Park Medical physicians do not accept Medicare assignment (except for Dr. Seifter). I understand that the physicians and the lab do not participate with any other commercial insurance or HMO. Park Medical Laboratory participates with Medicare. Specialized testing services sent to an outside reference lab will be billed separately by that testing facility. I understand that I am responsible and agree to pay for any balance not covered by my insurance.</p>

PARK MEDICAL ASSOCIATES LLC FINANCIAL POLICY (FP++) Eff. 6/1/18

We would like to thank you for choosing Park Medical Associates as your medical provider. We pride ourselves on providing all patients with excellent patient service. Billing costs have risen enormously and we ask your help in controlling these costs. To keep you informed of our current financial policies, please read the following, and sign at the bottom. We ask that you keep a copy of this document for future reference.

Insurance

The physicians of Park Medical Associates participate with EHP, Cigna and CareFirst BlueCross BlueShield. They are authorized to provide services to Medicare patients, but they do not accept Medicare assignment (except for Dr. Seifter). Park Medical Laboratory participates with Medicare, EHP, Cigna & BCBS for lab tests. It is the patient's responsibility to provide our office with a copy of your current insurance card, and to inform us of any changes in insurance. Although we file claims for most insurance plans on your behalf, you are ultimately responsible for payment of the bill.

Copays, Co-insurance, Deductibles, and Non-covered Services

Copays are payable at the time of service. We accept cash, check (no foreign checks), or credit card (VISA, MasterCard, Discover and American Express). Co-pays, co-insurance and deductibles cannot be waived by our practice, as they are requirements placed on you by your insurance carrier. You are responsible for any non-covered services as determined by your insurance plan (including forms). If you have an insurance plan with whom we do not participate, you are responsible for our bill in full.

Past Due Balances

You will be asked to pay any past due balances when making appointments or before seeing the physician. If your balance is especially high, you can set up a payment plan with a Patient Service Coordinator or Billing Coordinator.

Returned Checks

A \$25 charge will be added to your account for any check returned by your bank.

Finance Charge/No Show Fee/Cancellation Fee

If your bill is over 90 days old, we will impose a finance charge of \$15. This fee will help to offset the excessive monthly costs involved in continuing to send overdue bills. If you are on a payment plan, and meet your monthly payment obligation, a finance charge will not be assessed. We reserve the right to charge a fee of \$75 for no show appointments and a \$50 cancellation fee for appointments cancelled within 24 hours at the doctor's discretion.

Collections Fee

If after 2-3 months a balance remains unpaid, we will send the account to our collections attorneys. We will impose a collections fee of one third of the outstanding bill to cover the fee charged to us by the collection agency.

Consent to Email Communication between Patient and Park Medical Associates Doctors and Staff

By providing my email address below I am consenting to sending and receiving email from the Doctors and/or Staff. Emails could consist of (but are not limited to) having test results or other information or forms sent to me at my request, and/or communications between myself and my doctor (if the Doctor uses email for communication). **We are committed to keeping your email address confidential.**

I agree that I will NOT use email to communicate any urgent matters to the Doctors or Staff.

I understand that email between Park Medical Associates is secure when sent but not encrypted and therefore is potentially accessible to third parties.

I understand that on my end, anyone who has access to my email account or my unsecured electronic devices will potentially have access to emails sent between Park Medical Associates and myself.

Use of email and its risks are further spelled out in our Notice of Privacy Practices detailed at the top of this page and available in its entirety on our website www.parkmedical.net

___ I decline the use of email.

Patient Questionnaire

Name: _____

Date of Birth: _____

1. Have you had a pneumonia vaccination? (Please Circle)

YES

NO

If yes, type of pneumonia vaccination received? (Please Circle)

Pneumovax

Prevnar

Date/ Location: _____

2. If you are between the age of 50-75, have you had any of the following: (Please Check all that apply and list date and location if applicable)

Colonoscopy in the last 9 years _____

Stool testing for hidden blood in the last 2 years _____

Cologuard _____

3. If you are over the age of 65, have you had any fall related injuries recently? (Please Circle)

YES

NO

Date/ Location: _____

Are you afraid of falling?

PREVENTIVE MEDICINE/ANNUAL PHYSICALS

Revised 6/20/17

Dear Patient,

Many insurance companies have changed their policies regarding your annual exam. For Medicare, this covered visit is referred to as an "Annual Wellness Visit". Other insurances may call these visits Preventive Medicine, Health Maintenance, Routine Physicals, etc. These visits are designed to optimize your health by reviewing health goals and ordering screening tests for a limited number of medical conditions. In general, they cover the following: a limited physical exam, recommendations for healthy life-style choices (exercise, diet, smoking cessation, etc.), and screening for common diseases such as high blood pressure, cholesterol, depression and other age and gender specific issues. These visits are not designed to provide assessment and management of acute or chronic medical problems, such as asthma, diabetes, behavioral problems, pain, acne or injuries, or any other new significant problems that happen to coincide with the annual visit. However, as your primary health care provider we welcome and encourage you to discuss any issues that concern you and we wish to provide follow-up for any ongoing health problems you may have.

In order to offer a comprehensive evaluation and at the same time maximize your insurance reimbursement, our physicians may provide both preventive and diagnostic services, as appropriate, during the same office visit. Most preventive services will be covered at 100%. Most problem-oriented services will be subject to a deductible and coinsurance. If both types of services are offered, two visit codes will be billed with the appropriate modifier to indicate that preventive as well as problem issues were addressed. EKGs and lab tests will be billed as preventive services if they are performed for screening purposes. Some lab tests are not considered screening tests, and therefore will be billed with the appropriate medical diagnoses.

The physician will determine the codes according to the services he or she provides. Thank you for understanding our need to bill appropriately for the services provided while remaining sensitive to your insurance coverage.

Sincerely,

Park Medical Associates LLC
